

## Donki – Manager restaurant

**We have opened a brand new concept in Ghent! For this we are looking for an enthusiastic manager to develop this story together with us.**

**Want to be part of our top team? Then apply for our Restaurant Manager vacancy:**

- You have final responsibility for the restaurant, team and customer service.
- You report directly to the head office.
- You work together with the assistant manager.
- You constantly coach and motivate employees in an energetic way and solve problems with the necessary portion of common sense.
- You permanently monitor the application of the quality standards.
- The implementation of new products, promotions, recruitment and training of store staff are part of your task package.
- You guarantee customer satisfaction and you do everything to maintain a good reputation.
- You make the personnel planning according to the availability of the team.
- You guarantee good communication with the team through regular team briefings.

### **Which profile do we expect?**

- At least 2 years of experience in the hospitality industry.
- Good knowledge of Dutch and English.
- You are in possession of a bachelor's degree or equivalent in experience.
- You are willing to work weekends and evenings.

You recognize yourself in our values:

Punctual, Respectful & Communicative | Correctly comply with rules and agreements | Stress resistant |  
Enthusiastic dynamic person | Team player

### **Donki offers you:**

- A key role in helping to develop a start-up company into a permanent fixture in Ghent
- An exciting job in which you can develop and broaden your skills and knowledge through continuous training
- A hip working environment in the heart of Ghent with a young team that goes for it together

- Motivating remuneration and a permanent contract

Fringe benefits:

- Company computer
- Eco vouchers
- A mobile phone for professional use
- End of year gift
- Electronic meal vouchers
- Travel reimbursement
